

Our Target...

Love your neighbour as yourself.

Matthew 22:39

Our Mission

... Mission Captain Underpants?

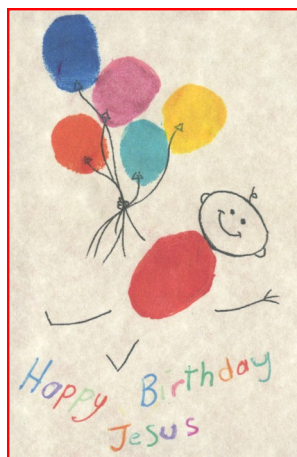

... Believe it or not, underpants are one of the things that people in crisis need the most. Mission Captain Underpants is about actively demonstrating love to others. The St Philips Kid's Church has been raising money and underpants for families and children in crisis, both locally and overseas.

... the Billy Cart Race?

... is to provide children in the local community the opportunity to celebrate Christmas in a fun way and as a final activity for the Kid's Church 2009 Mission Captain Underpants fundraising project.

... the Christmas Eve Kid's Service?

... to provide children in the local community with a fun, interactive message for the Christmas season. This year's service will be outdoors on the church's front lawn where kids will sing carols and join in the fun of Christmas.
